COMMENTS INVITED ON APPLICATION OF LORETTO TELEPHONE COMPANY, INC. TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 15-227
Comp. Pol. File No. 1243

Comments Due: November 2, 2015

Section 214 Application

Applicant: Loretto Telephone Company, Inc.

On September 1, 2015, **Loretto Telephone Company, Inc.** (Loretto or Applicant), located at **136 S. Main St., Loretto, TN 38469**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue certain domestic telecommunications services within the company's service areas including the Ethridge, Five Points, Leoma, Loretto and St. Joseph exchanges in Giles, Lawrence and Wayne Counties in the State of Tennessee (Service Areas).¹

Loretto indicates that it currently offers certain local operator and directory assistance services, including Calling Card, Third Number Billed, Busy Line Verification, Busy Line Interrupt and Local Directory Assistance services in the Service Areas (Affected Services). Loretto asserts, however, that there has been a lack of customer demand for the Affected Services. Accordingly, Loretto submits that it made a business decision to discontinue the Affected Services in the Service Areas on or after November 30, 2015, upon completion of all necessary federal and state regulatory approvals. Loretto indicates that it sent notice of the proposed discontinuance to all affected customers by U.S. Mail via bill insert on September 1, 2015. Loretto states that a bill insert was the most economic method of reaching its rural customers. In addition, Loretto indicates that it printed the bill insert on a separate page from the bill to distinguish it from the billing statement and bring sufficient attention to the notice. The Applicant maintains that its customers will not be adversely affected by the proposed discontinuance because customers are using new technologies and choosing widely available alternatives to the Affected Services. Loretto adds that less than 0.6 percent of its customers used the Affected Services on a daily basis over the last 12 months. Loretto asserts that it is an incumbent local exchange carrier and considered dominant with respect to the services it proposes to discontinue.

In accordance with section 63.71(d) of the Commission's rules, Loretto's application will be deemed granted automatically on November 30, 2015, the 60th day after the release date of this public

¹ See Section 63.71 Application of Loretto Telephone Company, Inc. for Authority to Discontinue Certain Services, WC Docket No. 15-227 (filed Sept. 1, 2015), <http://apps.fcc.gov/ecfs/comment/view.action?id=60001198973> (Application).

notice, unless the Commission notifies Loretto that the grant will not be automatically effective.² We note that the date on which an application for Commission authorization is deemed granted may be different from the date on which an applicant is authorized to discontinue, reduce, or impair service. In the Application, Loretto indicates that it plans to discontinue the Affected Services in the Service Areas on or after November 30, 2015, upon completion of all necessary federal and state regulatory approvals. Accordingly, pursuant to section 63.71(d), and the terms of the Application, absent further Commission action, Loretto may discontinue, reduce or impair the Affected Services in the Service Areas on or after **November 30, 2015**, in accordance with Loretto's filed representations. The Commission normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

Comments objecting to this application must be filed with the Commission on or before **November 2, 2015**. Such comments should refer to **WC Docket No. 15-227 and Comp. Pol. File No. 1243**.
